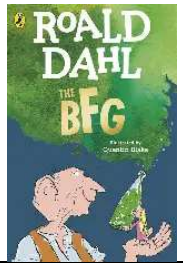
Welcome back to school Jaguar Class!

I hope that you have had a restful break and are ready for what is set to be a very busy and exciting term!

Curriculum Overview Jaguar Class – Summer Term 2026

English

In English, we will be looking at a range of engaging and diverse texts including wonderful fiction and non-fiction texts. Some of the rich texts that we will share during English and Guided Reading sessions include Skellig, The True Story of the 3 Little Pigs and The BFG. They will allow us to explore grammar and literary features culminating in a variety of writing outcomes. Over the course of the term, children will experience writing a range of different genres with a focus on increasing independence and stamina. They will be encouraged to use the elements of writing that they have learnt throughout KS2 with increasing ambition and style.



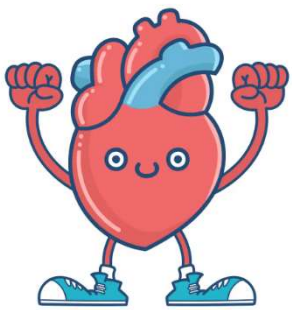
Maths

This term we will revisit fractions, decimals and percentages as well as learning about ratio, algebra, shape and statistics. Children will be both revising prior learning and developing new skills. We will do this through a variety or whole class, small group and independent work. There will be opportunities for children to demonstrate their growing knowledge through investigations and a greater onus on explaining their thinking independently. Children will continue to work on their times tables and mental arithmetic as this will be a very useful skill moving forwards.

Science

In science, we will be learning about keeping healthy. We will look at healthy heart rates, the impact of poor lifestye choices and about the importance of having a balanced diet.

The learning in our science lessons will link to RHE.



History

We will build on the knowledge we gained last term by exploring what life was like in Britain after World

R.E.

Through our enquiry-based approach, we will be exploring two questions: 'How do questions about Brahman and Atman influence the way a Hindu lives? 'What spiritual pathways to moksha are written about in Hindu scriptures?' Through our RE lessons, we will learn

War Two. We will find out about what impact the war had on Britain, the introduction of the NHS, the Windrush, how rapidly changing technology changed lives and what live was like in the 1960s.

about the Hindu religion. We will also develop our religious literacy and our ability to discuss other faiths and religious beliefs. Our classroom will be a safe space in which all pupils feel comfortable and confident to share their own ideas whilst also demonstrating respect for others.

Geography
In geography, we will be planning an investigation that will explore how sustainable our school is. We will write and plan a fieldwork question. Then we will collect, present and examine data before reflecting on our fieldwork.

P.E.
This term we will be taking part in Cricket and Rounders. This term we will also be having swimming lessons.

Art
This term in art, we will be working to produce two pieces of artwork in response to the Young Art Society project. We will be learning about the world of fashion design and also working on a more independent project demonstrating the skills that we have acquired throughout our art journey. We will have a chance to look at a range of landscape artists and choose different directions to take our work in.

RHE
We will be learning about valuing our bodies and mind, which will link to our science learning.

Music
We will have the fantastic opportunity to learn to play the cornet under the guidance of a specialist music teacher!

Computing
This term in Computing we will be learning about creating videos and about systems for searching.

This term we will be working towards our big summer production – watch this space for more news!

FYI
Mrs Parker is the class teacher and is supported by several of the wonderful Teaching Assistants we have in school.
The class email address is jaguars@coldwalthamschool.com
Please do feel free to use the Class Dojo account to make contact as this is a speedy way to get hold of me!
Please make sure you have all the correct kit for PE, correct uniform and that hair is neatly tied up if long.
Forest School/Swimming will take place on Friday and PE will take place on Monday.
